

Appendix G

Stream Transects Photo Points

Appendix G to the Meadowdale Beach Park and Estuary Restoration Effectiveness Monitoring Year 3 Report 2026

The Appendix herein contain supporting information referenced in the Meadowdale Beach Park and Estuary Restoration Effectiveness Monitoring Year 3 Report. This appendix contain highly detailed figures and other graphic information which are difficult to translate for screen reading software; therefore, the Appendices have not been translated into an auditory format. If you have a disability and/or have difficulty accessing any material in this document, please contact us by mail, email, or telephone, and we will work with you to make all reasonable accommodations. Please indicate 1) the nature of the accessibility need; 2) your preferred format; 3) the material you are trying to access and its location within this document; and 4) how to reach you if questions arise while fulfilling your request. You can direct your requests to Snohomish County Surface Water Management: surfacewater@snoco.org or (425) 388-3464
